**Terms and Conditions**

The Gavilan College Community Education Department has implemented a payment plan option for students enrolling in our fee-based, not for college credit Phlebotomy Training Program. This plan requires that full payment of the program fees be paid in five (5) installments. The first installment is due at registration (see schedule above). The balance is paid over four (4) installments. Payments may only be made through the Community Education office. There is no penalty for early payment.

Students who have not completed each installment by each due date will not be allowed to continue in the class and will be ineligible to receive their certificate. Students will not receive any refund of previous payments if they are not allowed to complete the training program for non-payment.

This course is not eligible for Federal or State student aid programs because these are not college credit-bearing courses.

I have read, understand and agree to the conditions of this payment plan. I further understand that it is my responsibility to make each payment on or before the due date and I promise to do so. Failure to do so may result in my being ineligible to complete the training program. I have received a copy of this Payment Plan. Failure to successfully complete this training program does not release me from this obligation. **Initial** \_\_\_\_\_
